SOPHS VICTORS IN TRACK MEET

Score Thirty-five Points and Lead Frosh in First Interclass Struggle.

PLATT ADAMS EXHIBITS

Winning thirty-five out of a possible ninety points, the Sophomores won a victory over all other classes in the Interclass Track Meet held Thursday afternoon on Steuben Field in spite of wind and rain. Four first and an equal number of seconds and thirds made up the 1922 score, while the Freshmen, who were the nearest competitors gathered 33 points in the various events.

The men who braved the storm on Thursday incidentally had the privilege of seeing Platt Adams, the Olympic star, in action. Adams won the standing high jump at Stockholm, Sweden, in 1912, by clearing the bar at 5 ft. 4½ in. He created great wonder in the minds of fifty or more assembled students and trackmen as to "how he did it" when he sailed over the bar at 5 ft. 2 in. from a standstill, and when his running carried him over at 5 ft. 6 in. Adams also gave exhibitions of broad jumping and discus throwing.

Warren, '23, Stars

C. Warren, '23, was the highest individual point winner of the meet. He took first in the broad jump, second in the shot -put, 100-yd. dash, 440-yd. dash, and tied for second in the high jump, making a total of sixteen points. Fletcher, '22, won the second individual honor with a total of fourteen points. Holler, '21, and Eckler, '22, each scored 10 points.

Warren of the Freshman Class evidenced real track material, which with proper training, should aid in turning out a first class track team next spring. Warren is already well developed for a Freshman and is an all round man. Morris, '23, also showed good form in winning the 440. Doane, '23, won the mile run from Kelly in rather slow time.

"Ed" Couper won the half mile easily with Kingsbury second. These two men should be good point winners next spring, as they were in the last season. Holler, '21, bids fair to step into the shoes made vacant by the graduation of Hal Reed, the fastest sprinter in college last year. Holler won both the 100 and 220-yd. dash. Fletcher, '22, is showing signs of developing into an all around man besides doing his bit in the pole vault, cleaning up two firsts, a second, and a third. Eckler was the greatest point winner in the weights, capturing both the shot put and the discus.

The whole meet was slowed up by the bad weather which accompanied the half holiday. Many of the men

TRUSTEES' MEETING SATURDAY MORNING

Routine Business to be Discussed and Appointments to Faculty Ratified.

CHAPEL, HOUR LATE

The regular fall meeting of the Board of Trustees will be held on Saturday morning at 9:15. This meeting had been postponed a week on account of the Centennial Celebration at Colgate, which was held the latter part of the week.

This will in all probability be a regular meeting with little business out of the regular routine affairs of the Trustees coming up. Reports from the various committees will be read and the appointments of the new professors will be formally ratified. The Executive Committee was given authority to make appointments to the faculty and the ratification by the Board will be but a formality.

It is expected that the petition by the undergraduates for the abolishment of compulsory Sunday Chapel will be presented and acted upon.

It is also likely that one or two other affairs of importance to the undergraduates will be brought up.

Morning Chapel on Saturday will be likely to be held an hour later as is the custom. This will permit the Trustees to be present at the exercises.

All of the fraternities will have their annual Fall House Parties at the same time as the University of Vermont game on November 1st. All of the crowds intend to have dances both Friday and Saturday evening with the exception of the Emerson Literary Society, which will give an informal dance on Saturday evening.

—F. Wade Paton, '05, has recently returned to his former medical practice after service in the Army and is located at 21 Main street, Bradford, Pa.

—O. Gregory Burns, '14, was admitted to the Bar in June and is now a member of the firm of Martin & Burns, Clinton, N. Y.

HAMILTON DEFEATS N. Y. U. TEAM IN EXCITING GAME

Captain Gorman Stars With Placement Kick—Sullivan Scores Touchdown.

"We're out for gore" howled the Hamilton rooters, and Captain Gorman's warriors working as an irresistible machine made good their assertion by mowing down the heavy New York University team to the tune of 9 to 0. It was Hamilton's day, and the Big Blue team, siezing every break in the game left little doubt as to who was to be the probable victor. The student body and the hardy individuals who appeared were treated to an exhibition of football that would well

COACH PRETTYMAN

repay sitting out in a dozen storms. Hamilton started off with a rush and kept going.

Of all the heroes of the well-fought day, Pape, Sullivan and Gorman stand out as prominent for Hamilton. For "Bart" in the third quarter, when about to be led from the field with his ankle out of commission, registered vigorous protest and demanded to be let into the game. Superior numbers prevailed and he was led to the sidelines. Storey at right tackle did good work for New York as did Cann in the backfield.

First Quarter Snappy

The first quarter was snappily played but without anything definite being accomplished by either side. Hamilton kicked off and N. Y. U. advanced the ball to their forty-five yard line before they were forced to kick. The ball was carried by the wind and sailed far down the field and crossed the Hamilton line. It was put in play on Hamilton's 20-yard line. The Buff and Blue carried it some distance and then in their turn were forced to kick. N. Y. U. attempted to break the line at some weak spot but as that point did not exist, they, for the second time, resorted to punting. The quarter closed with the ball in Hamilton's possession on her own thirty-eight yard line.

Hamilton opened the second quarter with an unexpected kick and when the N. Y. U. player fumbled the punt regained the ball on New York's thirty-eight yard line. There the Gothamites stiffened and held Capt. Gorman's warriors for downs. New York could not hold on to a slippery pigskin, as was demonstrated when she fumbled on the first play and as a result of some mad scrambling it was again Hamilton's ball. A few line plunges, a blocked kick and the ball changed hands. The N. Y. U. backs were unable to penetrate the iron defense of

PLAY OFF FIRST ROUND OF TENNIS TOURNAMENT

Ives, '20, Former College Champion, Defeated by Acebron of the Freshman Class.

PATON ALSO DEFEATED

The annual fall tennis tournament is in full swing, and some excellent tennis is being played on the courts. Most of the first round matches have been played, several of the second, and, to date, one of the third.

Thus far there have been a few unexpected turns in the tournament. Paton, who was to have played Stone, '19, last year for the championship, was defeated in the first match by Calkins, after two hotly contested sets by the score 6-4, 14-12. Ives, after beating Fitzgerald and Jewett, lost the third match to Acebron, '23.

At present the prospect is that Welsh, Finegan and Coupe, besides Calkins and Acebron, will be strong contenders for the college title.

The following matches have been played. The first named in each pair is the winner.

First Round

Cobb-Barnett, 6-1, 6-0.
Morrow-Tillotson, 6-1, 8-10, 6-3.
Throop-Ballot, default.
Cairns, Wettel, default.
Burke-Johnson, default.
Welsh-Brandt, '20, 6-4, 6-2.
Coupe-Ritterbush, 6-2, 6-3.
Finegan-Davison, default.
Farrand-Mathewson, default.
Martin, '20-Reed, 2-6, 6-3, 6-1.
Craver-Maier, default.
Stackhouse-Brown, default.
Kneeland-Ogden, default.
Ives-Fitzgerald, 6-1, 6-3.
Jewett-Seaver, '21, 6-1, 8-6.
Acebron-Bixler, 6-2, 6-4.
Price-Weld, 6-1, 6-2.
Chase-Fry, 6-2, 6-4.
Calkins-Paton, 6-2, 14-12.

Second Round

Cobb-Morrow, 6-2, 6-3.
Ives-Jewett, 6-0, 6-1.

Third Round

Acebron-Ives, 6-4, 6-2.

PREPARE NEW BLEACHERS FOR CHEERING SECTIONS

Being Erected at Joint Cost of College and Undergraduate Body.

ONE FOR CHEERING SECTION

Because of the overflow crowd at the St. Lawrence game it has been considered necessary to construct a new bleachers on the athletic field. The bleachers have been located on the bank on the south side of the straightaway and overlooks the whole athletic field. The bleachers which stood here last spring are now located on the opposite side of the field.

The bleachers are being erected at the joint cost of the College and the Undergraduate Association. It is expected that they will seat between two and three hundred students. The lumber parts have been on the Hill for some time but the carpenters have been delayed in their work by the delay of the iron parts from the Structural Company.

It is expected that only one bleacher will be used for a cheering section and that the other will be used for the section of visiting colleges and for visitors at the game.

THE ROAD AGAIN

Rome, N. Y., June 3, 1919.
To the Editor of Hamilton Life:

In a recent issue of your paper there was an article regarding the awful condition of the roadway up College Hill. This comment interested me greatly. It was the thought of one of our graduates and it certainly voices the sentiments of many others.

Of the lesser things which come to the attention of our honorable trustees the matter of repairing and permanently fixing the approach to the College is of no small importance. The recent action of the trustees is very gratifying. It is not very far distant, I believe, when the roadway of College Hill will match all that is beautiful on the Dear Old Hill Top.

There is no more delightful spot in our whole Oneida County than that graced by Hamilton College. But, what a pity that so many are unable to see it and appreciate this fact. How many folk in this day of automobiling dare and wish to run their cars up such a highway? It is nothing but ruts and stones so deep and large as to make motoring anything except a pleasure.

Many of the alumni would frequently visit the Hill and bring along some sub-Freshman if it were not for the fact that the last part of their journey would be a labor. This applies, also, to others less affiliated with the College. The writer knows of several parties who have attempted to make the Hill but, disappointed, they have turned back rather than climb over such a roadway.

Now that the good work has started may every effort be brought forth to accomplish it.

Yours for Hamilton,
O. G. RILEY, '12.

College Spirit

College Spirit—with a capital S! Those of us "Hamilton men" who have been in college and survived freshman year have some idea of what college spirit really means. But naturally the Freshmen of the Class of '23 are just beginning to realize the intense, variegated qualities of the same.

Freshmen!—as of old we address you on the subject—Freshmen, get into college life and show your own college spirit! We refer not merely to simple college spirit but to that far nobler feeling, sentiment, or alma-materism which we of Hamilton proudly proclaim as Hamilton Spirit!

"Hamilton College is the outgrowth of the labors of Samuel Kirkland, missionary to the Oneida Indians through the latter half of the 18th century. * * * This service of Kirkland won the attention and regard of both Washington and Hamilton. Fifteen years later, when Kirkland determined to establish a school for the Indians and the sons of white settlers, Hamilton gave his support to the project, and became the first trustee of the Hamilton Oneida Academy. May 26, 1812, the college charter was granted."

Every Freshman should be absolutely familiar with these facts if he expects to acquire that intangible, mysterious sensation we call Hamilton Spirit. There is no doubt, Freshmen, that this institution described above was once upon a time a "backwoods" college. That era is past. Today Hamilton College is in the vanguard of civilization: to wit, we have with us a representative of a people far away, beyond the backwoods. The Oneida Indians, so to speak, were the very essence of the backwoods. The Oneida Indians are long since departed for the Happy Hunting Grounds of their grandsires.

Hamilton has reached across the seas. Mr. Valentin D. Acebron, '23, tennis player, basketball player, chapel speaker, gentleman—he is at Hamilton, a visible product of Oriental and Occidental training. College Spirit! It takes something to come three thousand miles across the ocean and then railroad it from San Francisco to Utica, N. Y.

Therefore, Freshmen, learn to know Hamilton history, Hamilton songs, Hamilton yells, Hamilton customs, and Hamilton men. If you show promise, or bring good testimonials, you will be great friends of the faculty. Those are a few advantages which are the birthright of the small college. "Quality, not numbers."

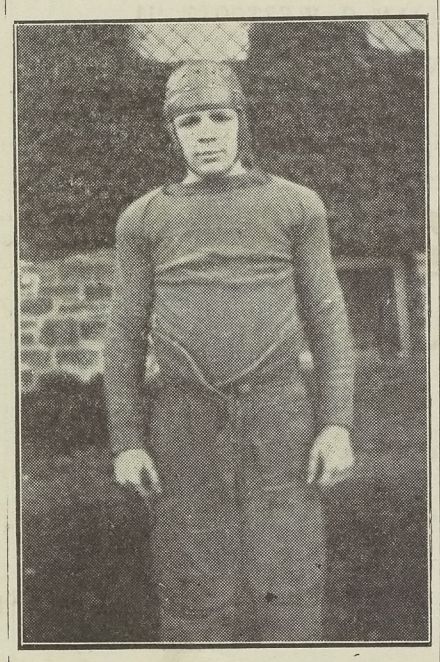
the Hamilton line and were held for downs near the center of the field. Then came the sensational run of the day. Baumler tendered the ball to Kaiser, who hugged it to his bosom and set off in a mad gallop around the majority of the New York team, evading most of the secondary defense before he was finally downed on N. Y. U.'s thirty-five yard line. It was not such a long run as runs go, but it was spectacular and it brought the stands

COACH ZIEL

to their feet with a shout. Then Sullivan and Pape crashed through the line until the New York goal posts were near enough for a kick. And Bart came through with a place kick that sailed squarely between the posts. The whistle put an end to the first half shortly afterwards.

N. Y. U. Fumbles Costly

Hamilton had everything her own way for the first few minutes of the third quarter. A long kick from Lawler's toe was recovered through another one of New York's costly fumbles on their twenty-five yard line. On the second play following, Sullivan with a splendid hole prepared for him by Ogden and Gorman, plunged through the line, reappearing on the other side, stumbled and nearly fell, regained his feet, and was off down the field dodging the New York backs and crossing the line for the only touchdown of the game. On a technicality Hamilton was not allowed to kick the goal and the play was resumed. For the balance of the third and for most of the last quarter the ball was rushed back and forth in the center without penetrating very far on either side of the fifty yard line. In the last few minutes New York succeeded in working a long forward pass and then slipped a play through that brought them to the Hamilton five yard line. There



PAPE, STAR QUARTERBACK

they encountered a stone-wall defense and the whistle found them still a foot from the line with one more down left in which to push it over. Whether they would have done it or not cannot be decided.

The line-up was as follows:

APPOINT INSTRUCTORS

Griffin and Ives, '20, Appointed to Public Speaking Department.

F. Stanley Griffin, '20, ex-'18, has been appointed instructor in public speaking by Professor Calvin Leslie Lewis. Instructor Griffin holds Freshman classes in elementary public speaking. He was discharged from the army this summer after ten months' service overseas. Before he enlisted for service, Griffin was assistant drill master for the Freshmen. Griffin was originally in the class of '18, and won the Freshman prize speaking contest. Irving S. Ives, ex-'19, and now of '20, has been appointed assistant drill master for the Freshmen. He is under the supervision of Professor Fancher. He was a first lieutenant in the infantry and saw over a year of service in France. Ives has been in practically all of the speaking contests since his entrance in college.

Spice o' Life

Weakly Pome

They were big and they were mighty,
  They were from the N. Y. U.
They were even rather "fighty"
  When they met the Buff and Blue.
But our men were there and kicking,
  With a scrapping spirit fine;
And their backs were easy picking,
  When they struck our solid line.
More than once, just to be "kiddish,"
  Their big quarter raised his hand;
And gave signals all in yiddish,
  So his men could understand.
But in spite of all their pounding,
  'Gainst the line of Buff and Blue,
It was to them most astounding
  That they couldn't quite "bust through."
Once it was their mighty quarter
  Tried to get our Leslie riled;
But, sez Pape, "You hadn't orter,"
  So he thumbed his nose and smiled.
Then, of course, three points come handy,
  When it comes to kicking goals;
So Bart lifted one a dandy,
  And it sailed between the poles.
Later, Sully, feeling "fighty,"
  Scored six more for Buff and Blue;
"But," he said, "that hole was mighty,
  You could drive a wagon through."

Things that Tell Us that the World's Series are Over

"Sky" Brandt favor Saturday night pinocle parties instead of Utica.

"Pop" Martin's absence from Mertz's.

"Wy" Cobb's long face—?

Professor Calvin Leslie Lewis and Abe Ballot, '21, had a contest to see which could shoot the most of the proverbial substance walking down the Hill Saturday noon. The decision was delayed, Ballot receiving the most points on quantity and Cal on subject matter. Undoubtedly the contest will be continued at a later time.

Pope: "Why do they call Mattoon a field secretary?"

Gorman: "Because he raked in a bunch of hayseeds."

Sky Brandt has bought a new dictionary to find sympathy for losses on the world series.

Sullivan (in Commons): "Who gets the profits from these night lunches, Mrs. King?"

Mrs. King: "It all goes to the College."

Sully: "Oh, you mean Prex."

Abe Ballot: "You make me laugh, Mrs. King."

Mrs. King: "That is nothing strange. It doesn't take much to make you laugh."

Didja Notice

How anxious Sky Brandt was to get in the college picture? (Numerous orders by single fellows have already been placed with the photographer.)

Bob Rudd (reading a drinking song to a class in 3-4): "I suppose that in the future I will have to explain to my classes what a drinking song is."

Discus throw—1, Eckler, '22; 2, White, '22; 3, Edie, '22. Distance, 82 ft. 10 in.

The score by classes was: Seniors, 8; Juniors, '13; Sophomores, 35; Freshmen, 33.

CLUB NOTES

Last spring all the graduates of Erasmus Hall in Brooklyn who were on the Hill formed an Erasmus Club for the purpose of spreading Hamilton propaganda in their high school. The men from Ogdensburg also organized a similar club. Both of these clubs are now sending **Life** and Lit. to their respective high schools in the hope of interesting some of the fellows in Hamilton.

The German Club met for the first time this year last Friday evening and took up the study of modern German dramatists. The French and Chemistry Clubs as well as the Jabberwocks intend to start the work for the coming year in the course of a few weeks.

—Sidney K. Pardee, ex-'19, is in the public utility department of the New York State Gas and Electric Corporation, located at Ithaca, N. Y.

—W. Carl Mengerink, '14, brother of the late John R. Mengerink, '20, visited the Hill recently. Mr. Mengering is a law writer and may be addressed at 180 South Goodman St., Rochester, N. Y.

—Rev. Dr. Alexander Wouters, '93, performed an aerial wedding ceremony two thousand feet above the earth on July 26, 1919. Lieut. George Burgess of the Army Aviation Corp and Miss Emily Schaefer of Brooklyn were in one airplane while Dr. Wouters conducted the ceremony by wireless from the other. At the time the two machines were traveling at the rate of 80 miles an hour, above Sheepshead Bay Speedway, where over 200,000 persons were attending a public field day.

NEW MAP OF CAMPUS

Professor Brown to Make New Map Showing Improvements on Campus.

As a result of the age and incorrectness of the present map of the college, considerable complaint has been made during the past few months by returning graduates and by undergraduates who desired a correct map of the Hill, Professor Horace Seeley Brown, in response to this demand has signified his intention to construct a map which will include all of the new improvements on the Campus.

The present map includes the old Sigma Phi Hall which was burned to the ground and on the site of which the new Hall was constructed. It also includes the Lick Observatory which was razed in 1916. The outline of the new athletic field was added to the present map by Professor Brown during the past summer.

After corrections have been made to the present map and all new additions placed on it, smaller copies will be made which will make it possible for everyone to obtain one. All of the credit for this work must be given to Professor Brown, whose work in the interest of the college will be rewarded only by the gratitude of the students.

Carpe Diem

Perhaps some of the quips last week might have caused a bit of discussion, but remember the motto of the column, "Hew to the line, let the quips fall where the may." This is crabbed from the dope of a column writer who gets $15,000 a year from printing the stuff sent in by contributors anxious to have their names in print. We don't get the $15,000, but we would like to get the contribs. Anyone having any bits of humor, spicy or not, will please leave them in the **Life** assignment book in 3 South. Carpe Diem will get them. This is all in fun, let the axe cut where it falls. We all have our faults, even the rocks of the earth. Doc. Dale, take notice.

Criticism.

Only the great are criticised. Prex Wilson, L. George, and Sec. Baker get it. We are no better than they. We are not moralizing nor apologizing, but back to the fish.

This stuff has to be early copy, so we are a bit late, but as we punch the keys the most notable event is that

Psi U Initiates

This event in the lives of the music-loving Freshmen was heralded several days before the boys got their placards, (pardon me, badges) by two Freshmen, mute and still, bearing large planks down College Hill. Also by the large number of packages bearing Wicks & Greenman's labels, which almost flooded the Clinton post office. The rent of dress suits is $2.50 now, and some of the boys must have looked great in 42 coats when their natural size is 38.

Political Dope

After sitting through the college dinner last Friday we have come to the conclusion that the best way to get elected to an office is to talk about withdrawing and then tell the ballot markers just the kind of a man who ought to have the job. Speaking of Mr. ——. Well, you know, I don't have to tell (apologies to Alcoholic Blues), our idea of the biggest supe in the world is the bird who talks in deep tones, looks serious, and says, "Well, now, professor—" and then talks so he won't be called on when something comes up that he knows nothing about.

Changes of four years. Can you imagine the sweet, unsophisticated Bobbie Guy of Freshman year as the worldly-wise Robert Guy of the class of 1920?

Doctors Prescribe John's Cascara Compound Tablets for Constipation

They have been prescribing them for years. Ask any prescription clerk... **John's Cascara Compound Tablets** are the ideal agent for overcoming habitual constipation. IDEAL because they contain no irritating cathartics which apply the whip to the intestines, weaken the system and end by aggravating the very condition they were intended to relieve.

The gentle, thorough, laxative effect of Johns' Cascara Compound Tablets is due entirely to Johns' concentrated and refined extract of Cascara Sagrada, the "sacred bark" of the Aztecs, who knew its value in correcting constipation—the source of so much sickness and discomfort.

They relieve flatulence, nausea, vertigo, water brash, constipation and loss of appetite. They remove greasiness and sallowness of the complexion. They are a most efficient remedy for bilious attacks and sick headaches.

A Johns' Cascara Compound Tablet taken at night insures in the morning a natural and complete evacuation of the bowel contents. The continued use of Johns' Cascara Compound Tablets can be nothing but beneficial. Price, 25 cents.

COLGATE HONORS ELIHU ROOT, '64

Introduced by Dr. Finley as "the First Citizen of America."

DEAFENING APPLAUSE

An honorary degree of Doctor of Laws was conferred on the Hon. Elihu Root, Hamilton '64, by Colgate University Saturday morning in connection with the celebration of its Hundredth Anniversary. The centennial exercises were held in the New Chapel, the procession and open air exercises being abandoned because of the inclement weather.

President Bryan of Colgate opened the exercises after a short formal address, by introducing Dr. John Huston Finley, State Commissioner of Education and President of the University of the State of New York. Dr. Finley spoke, introducing Mr. Root to President Bryan for the degree. Dr. Finley in speaking of ex-Senator Root said that he was one of the most brilliant flowers of American citizenship and, in fact, the first citizen of America. The applause for Mr. Root was deafening, making it impossible for him to refuse to speak.

Mr. Root Speaks

After expressing his gratification at receiving the degree, he spoke of the momentous times in which we are living. He said in part: "Each college and university should strive to turn out capable men, and should try to ally itself with the other colleges who were working toward the same goal. I believe that Colgate has taken the first step in the closer union of two bitter rivals, that of Hamilton with itself. The two places, although widely different in their methods, have the same interests and should form a bond of friendship to gain that end. I believe that an Entente should be formed with that purpose in view."

Mr. Root is one of the few Hamilton men who have received honorary degrees at Colgate, although there are at present three members of the faculty who have received such degrees. President Ferry received the degree of Doctor of Science in 1909 while he was Dean at Williams. Dr. H. C. G. Brandt was the first member of the actual faculty to receive recognition. He accepted a L.H.D. degree in 1910. The third member who holds a Colgate degree is Professor Cleveland King Chase, who became a Doctor of Letters at the Colgate graduation exercises last spring. Because of a special request by Professor Chase, the news has been kept from print until now. By the recognition of Professor Chase's ability Colgate has thrown light on the ability of our whole faculty.

The faculty of the College was represented at the exercises by President Ferry and Professor Chase. A committee of Trustees was also present consisiting of Charles B. Rogers of Utica, and Mr. Joseph Rudd of Clinton.

FRESH-SOPH BASEBALL CONTEST POSTPONED

Because of Rain—Both Classes Confident in Quality of Respective Teams.

MATERIAL PROMISING

Although the Freshman-Sophomore baseball game was called off because of the rain, the struggle has only begun, and it is possible a game will be arranged very soon.

Bill Brandt, captain of the Sophomore Team, has issued the following statement:

"With Jim Davis, the varsity catcher, and Mulchy, the shortstop, together with the rest of our team playing for us, we feel pretty sure of victory over the Slimers. We are very anxious to play them before winter sets in, and we will try to arrange a game with them as soon as possible."

Handicapped by not knowing the baseball talent in the class, the Freshheld practice Wednesday afternoon and elected Steve Crane captain. After the game had been called off on account of the rain, he made the following statement for **Life**:

"The Freshman Class has some good talent in it. The infield is especially strong, but we are greatly handicapped by a lack of pitchers. In the infield Copeland plays first base, Risley second, C. Smith third, and Hunter shortstop. Parmer, an outfielder, is also pretty good. We are ready to play the Sophomores any time they wish, and we will give them a good game."

Crane himself will catch and will round out the infield.

There is a good deal of interest shown in the material of the Freshman Class, and those who saw the practices were particularly impressed with the work of Hunter at short. If his batting can compare in any way with his fielding, he looks like a comer for next season.

CLASS ELECTIONS

John Dehn VanKennen of Ogdensburg, N. Y., was elected last week to be President of the Junior Class during the present college year. Nominations have been made for Vice-president and Secretary-Treasurer, but elections are still pending.

Mr. VanKennen is a member of the **Life** Board, is Treasurer of the Y. M. C. A., and a track letter man, and was a D. T., sophomore year.

R. P. I. AT TROY NEXT SATURDAY

Coach Prettyman's Charges Prepare for Hard Battle Against Trojan Engineers.

RICHARDS, STAR.

With two victories to her credit Hamilton will invade the R. P. I. gridiron at Troy for the third game of the sason Saturday afternoon. R. P. I. has so far played three games, two being victories and one a defeat. On September 27, Williams conquered the Engineers by a score of 23-0 in a rather one-sided game. On October 4, Hobart was defeated 7-0, and last Saturday the fast Worcester Tech. aggregation fell before their attack in a 13-0 defeat. The result of these games indicates that the Buff and Blue can anticipate a hard struggle next Saturday. R. P. I.'s defeat by Williams was due in a great part to lack of practice, but in the later games the team showed a powerful attack and defense.

On the R. P. I. team Capt. Richards holds down the pivot position at center, and he is a strong, aggressive player. He forms the nucleus for a powerful attacking line and can be counted upon to bear a great deal of watching by opposing linesmen. Eller at quarterback is a veteran in the game and is a steady and heady player. He is a fast runner, and in the three games played he has proven a consistent ground gainer. Coach Rounds is no stranger to Hamilton as he coached many of St. Lawrence's teams which have met the Buff and Blue in past years. He has welded into shape a strong fighting machine, and Hamilton can look forward to a formidable team this Saturday.

PHI BETA KAPPA ELECTS

Six Men from Senior Class to Membership for Scholastic Work.

President Ferry made the following announcement of elections to Phi Beta Kappa honorary fraternity Friday morning after chapel: Edgar William Couper, T. Bartle Gorman, Benjamin D. Meritt, Arthur R. Thompson, W. Willard Thorp, Theodore S. Turner. The Epsilon of New York of Phi Beta Kappa was founded at Hamilton in 1879. Phi Beta Kappa elects one fifth of each graduating class providing that the men have an average of over 8.5. There were six men elected last year from the class of 1919.

LIT. OUT SOON

The October issue of Hamilton Literary Magazine, the Collage Monthly, will appear shortly. Contributions for the next issue are greatly desired. The competition for editor begins with the November number, the Juniors being eligible.

—Oliver W. Hutchinson, '19, Locke Fellow in Greek, and N. Curtis Giddings, '19, student of the Romance Languages, are enrolled in the graduate department of Harvard University.

CHAPEL PREACHERS

Dr. Ferry has succeeded in securing chapel preachers for every Sunday but one to June, 1920. They are all well known men and the list includes the names of five college presidents, one retired college president, and the principal of one of the foremost preparatory schools. The preachers for Sunday chapel for the remainder of October and November are as follows: Oct. 19, Rev. Courtlandt P. Butler, Lakewood, N. J.; Oct. 26, Rev. Frank B. Seeley, Kingston; Nov. 2, Rev. William W. Bellinger, New York City; Nov. 9, Rev. Wendell Prime Keeler, Yonkers; Nov. 16, Pres. Rush Rhees, University of Rochester; Nov. 23, Pres. John M. Thomas, Middlebury College, Middlebury, Conn.; Nov. 30, Rev. James Elmer Russell, Binghamton.

FIND ORIGINAL LETTER OF CHAPEL ARCHITECT

Which Philip Hooker Wrote to Trustees of the College in 1825.

PRESENTED TO COLLEGE

Many people and all Hamiltonians have been justly proud of the old College Chapel. Its architecture seems to bind it to colonial times. In recent years little could be learned of the early history and the building of this edifice. However, during the last summer Mr. and Mrs. Edward Wales Root delved into some of the ancient papers of the College and brought to light the original letter which Philip Hooker the architect, wrote to the Board of Trustees in 1825 accepting the commission to design the Chapel.

This architect was one of the most famous of his time. In addition to the Chapel he designed the Old State Capitol at Albany and also the Albany Medical College.

The Chapel was designed in 1825, but it was not dedicated until 1827.

Mr. and Mrs. Root have presented the letter to the College, and it is now framed and hanging in the President's office.

PLAN MEMORIAL

At the college dinner of October 3rd there was submitted to the undergraduates various plans for a suitable memorial to the men who gave their lives to their country in the late war.

The plan of a memorial had been taken up by the Board and it is announced that in the near future a large bronze tablet will be purchased, which will contain the names of the thirteen sons of Hamilton, who died in the service. This tablet will be placed in the College Chapel. It will form a means of impressing on future generations of Hamilton men the spirit of Hamilton in the Great War.

—John W. Bratton, '19, has entered the Law Department of Columbia University.

—Capt. G. U. W. Pope, '16, has returned from a month's furlough at his home, Glencoe, Ill., to West Point, where he is a bayonet instructor.
